

SAMKNOWS
FCC BROADBAND TESTING AND MEASUREMENT PROGRAM
CODE OF CONDUCT (*DRAFT Jan. 12, 2012*)
[DATE]

WHEREAS the Federal Communications Commission of the United States of America is conducting a Broadband Testing and Measurement Program, in conjunction with SamKnows, the purpose of which is to establish a technical platform for measuring Broadband America and further to use that platform to collect data;

WE, THE UNDERSIGNED, as participants and stakeholders in that Broadband Testing and Measurement Program, do hereby agree to be bound by and conduct ourselves in accordance with the following principles and shall:

1. At all times act in good faith;
2. Not act, nor fail to act, if the intended consequence of such act or omission is to enhance, degrade, or tamper with the results of any test for any individual panelist or broadband provider, except that:
 1. It shall not be a violation of this principle for broadband providers to:
 1. Operate and manage their business, including modifying or improving services delivered to any class of subscribers that may or may not include panelists among them, provided that such actions are consistent with normal business practices, and
 2. Address service issues for individual panelists at the request of the panelist or based on information not derived from the trial;
 2. It shall not be a violation of this principle for academic and researcher purposes to:
 1. Simulate or observe tests in the course of academic research provided that no impact to collected data occurs; and
 2. Study and Modify, reverse engineer, or otherwise study technologies components of the architecture employed to support the Measuring Broadband America program; and
3. Not publish any data generated by the tests, nor make any public statement based on such data, until such time as the FCC releases data or makes a public statement regarding any results of the tests except that:
 1. It shall not be a violation of this principle to publish or make public statements expressly permitted by the FCC or in accordance with the SamKnows Data Licensing Agreement that broadband providers may enter into; and
4. Ensure that their employees, agents, and representatives, as appropriate, act in accordance with this Code of Conduct.
